LIFESTYLE PHOTO SHOOT - FACT SHEET

The following is a list of SUGGESTIONS only - each session is individual and it is important that you feel comfortable with your choice of appearance, so that the pictures reflect your lifestyle.

CLOTHING

Simply - please wear clothes you feel comfortable and want to be seen in. Avoid patterns, stripes, spots and logos as they can be distracting from the finished photographs. If a child has a favourite teddy you may like to include this on the pictures. The more old fashioned ones look better, but as we are intending to capture their childhood, their favourite toy will have a lot of sentimental value in the future - no matter how grubby and chewed it may seem now.

GLASSES

If you wear glasses - tinted or reactalite, they can look very dark in photos. If you are able to have non-reflective glass this will be beneficial but not essential.

TODDLERS & YOUNG ONES

Please make sure that your appointment time is a good time for your children. If they are tired or hungry they will be very difficult to photograph and it won't be much fun for them.

ON THE DAY OF THE PHOTO SHOOT

Malcolm will arrive, at the selected venue, in good time to discuss your requirements. Your shoot will take approximately 1 hour but we always allow a little longer just in case, children need to have a break. Malcolm will take the opportunity to discover photographic locations on the actual day of the shoot, as he prefers to get creative and spontaneous!

VIEWING THE PICTURES

After the session we will arrange a convenient time for you to view your pictures. The pictures will be presented in the form of a slide show and you will have plenty of time to discuss your requirements. We have a large selection of albums and frames, we can help you to design and present your selections. We can upload you images to our pass word protected Website.

AND FINALLY...

Please don't worry if your child misbehaves or won't smile - Malcolm has endless patience with children (except his own of course!); he likes to photograph children as they are, looking really natural. This photo shoot will be a lot of fun, and when children are enjoying themselves, they always look wonderful !
